The programme uses a **multi-sensory approach**, appealing to a wide range of learning styles, and can be **adapted easily** to specific learning needs.

It is the **foundation** for our Jolly Literacy programmes, which are introduced from Year 1.

Jolly Literacy

This builds on Jolly Phonics and offers **two programmes** with resources covering Years 1 to 6.

Spelling, Grammar & Punctuation provides two lessons a week. It teaches new spelling patterns, dictionary and thesaurus skills, and complex grammatical concepts in an engaging and child-friendly way.

Reading Comprehension & Writing Skills provides two further weekly lessons. At every stage, the words are within the reach of children as they use their knowledge of the letter sounds and tricky words already taught. Tricky words are shown at the beginning of each book. Comprehension questions and discussion topics are provided at the end of each book, with guidance for teachers and parents. Light type is used as a guide for those few letters that should not be sounded out, such as the /b/ in lamb.
